ABOUT THE FACILITY

Newberry County Memorial Hospital, a county owned facility, is the sole community provider. In the last several years the hospital, which was built in 1976, has undergone a complete renovation providing a progressive outpatient services mall on first floor, newly renovated delivery area with state of the art LDRP's and new C-Section operating room, recently completed new renovation of laboratory to new state of the art facility, expansion of operating rooms for future growth and additional renovated areas throughout the facility. The hospital in conjunction with local physicians through a local developer have completed a 47,000+ medical office building to house various hospital departments in addition to various primary care and specialty physician practices. The hospital has also added a community health facility in the lower end of the county, an area that is experiencing substantial growth. An active community wellness program is also a hallmark of the ever-growing array of services. Aggressive primary care and specialty physician recruitment provides a solid base for this growth. Physician specialists include general surgery, orthopedic surgery, ENT, oncology and urology. The hospital projects roughly \$40 million net revenues; acute ADC of 29; Transitional Care Unit ADC of 6, ER visits of 18,000 annually, and annual surgeries of 3,200. QHR has provided management services at NCMH since 1979. For more information on the hospital please visit their website at www.NewberryHospital.org
